## Circular Orders and Miscellaneous Information.

C.O. <sup>6</sup>/<sub>833</sub>.—In future it will be the duty of the Water Police at the various outports to make periodical examinations of all Buoys and Moorings, and to report their condition to the Government Resident of the District and to the Harbor Master at Fremantle.

The Water Police boats are not suited for anything but an examination, but the constables will be able to report whether a Buoy is out of its proper position, or if it is bare of paint or tar, or that it is floating too deep, etc.; the Government Resident will then arrange for the necessary work to be done.

The Water Police at the outports will also carry out any instructions issued by the Government Resident concerning the management of the Jetties, berthing ships, removal of goods, or other matters relating thereto.

GEO. PHILLIPS,  
Commissioner of Police.  
21-12-87.

C.O. <sup>9</sup>/<sub>834</sub>.—His Excellency the Governor has been pleased to approve of the following Rewards being paid to the undermentioned members of the Police Force, and charged to the Police Reward Fund.
