Police Gazette,

WESTERN AUSTRALIA.

[Published by Authority.]

This Gazette is published for Police information only, and the Police throughout the Colony are instructed to make themselves thoroughly acquainted with the contents.

FRED. HARE, Commissioner of Police.

No. 30.]

WEDNESDAY, JULY 24.

[1901.

Circular Orders and Miscellaneous Information.

C.O. 1901.—The Police throughout the State are directed, when framing reports in future, to write only on one side of the paper, particular care being taken to have each minute follow in regular sequence.

Every page must be numbered, and the last page written upon must always appear on the face of the file. It will thus readily be seen this system of correspondence is the reverse of that hitherto in vogue.

Officers in charge of districts will be held responsible for the proper inception of the system, which I now purpose having adopted throughout the service.

FRED. HARE,
Commissioner of Police.
