Circular Memorandum.

ASSAULTS ON POLICE.

(Section 316, Criminal Code.)

The following copy of an opinion of the Crown Solicitor bearing upon two recent cases in which the offenders were committed for trial under Section 316, Criminal Code, for assaulting police officers, is published for the information of members of the force:—

Commissioner of Police,

I do not think that it was ever intended to require every assault upon a policeman to be inquired into before a jury. Rather would I suggest the other course, that assaults on constables should be treated as common assaults, determined summarily, unless the Justices hearing the case should think it sufficiently grave or serious to warrant it being dealt with by a higher tribunal.

The R.M., as grand juror, would probably throw out the bill—I should—and let the prosecutor go before a J.P., under Section 319.

Crown Solicitor.

Sydney.—A warrant has been issued by the Water Police Bench for the arrest of Robert McKenzie, charged with deserting his illegitimate child. He is about 39 years of age, 5ft. 8in. or 9in. high, well built, brown whiskers and moustache, minus first joint of fourth finger of left hand, very long nose, an engineer; speaks with a broad Scotch accent; said to be living near Perth, West Australia. Complainant, Sarah Chivers, No. 52 Fitzroy Street, Surry Hills.—(A2/15462, 16th September, 1902.)

Special Inquiry.

Special inquiry is requested for CARL LUDWIG ZIEM (*vide Police Gazette*, 1902, p. 230, W. 621/1902). This offender left Fremantle about the end of June last, with the intention of going to work in the Murchison district. Arrest very desirable.—A2/14499.

Special inquiry is requested for the purpose of identifying the remains of a man found 8 miles North of Edjudina, on the 9th ult., who is supposed to have perished in 1893 or 1894. It is believed he was about 20 years of age, and at the time of his death was wearing a kahki coat, corduroy trousers, coloured cotton shirt, Blucher boots, and black felt hat. It is possible he may be identical with a young man who was working for the Fingall Mining Co. in 1893 or 1894, and who mysteriously disappeared and was supposed to have been lost in the bush. Two men named Scarlet and Donnelly (at present at Bulong) went in search of this man, but without success, and if interviewed may be able to give his name, and state if he was dressed in clothes similar to those found by the remains of the body. Information to the Criminal Investigation Branch.—B2/4108.
