This Gazette is published for Police information only, and the Police throughout the State are instructed to make themselves thoroughly acquainted with the contents.

FRED. HARE, Commissioner of Police.

No. 36.]

WEDNESDAY, SEPTEMBER 9.

[1903.

Circular Orders and Miscellaneous Information.

C.O. 1803.

Attention is drawn to the necessity for exercising the utmost economy in police expenditure during the current financial year, and District Officers are therefore requested to see that no liabilities are incurred except for such requirements as are absolutely needed for the efficiency of the service.

Forage supplies and issues must be closely watched, and all expenses in connection with travelling and transport must receive careful and special scrutiny. Unauthorised expenditure, except under very urgent circumstances, will not be permitted.

FRED. HARE,
Commissioner of Police.

1-9-1903.

C.O. 1803.

LUNATICS' ESTATES.

The practice of deducting the cost of expenses incurred in the arrest and committal of lunatics to the Asylum at Fremantle has been declared illegal, and must therefore cease.

All moneys found in possession of an insane person on arrest must be forwarded intact, with such person, to the authorities at the Fremantle Asylum, and a proper receipt obtained therefor. Other property should, as far as possible, be protected by the police until instructions are received as to its disposal.

As provided in C.O. 1803, expenses prior to committal to an Asylum will be chargeable to police vote, while subsequent charges (except the escort's fare and subsistence allowance) will be borne by the Medical Department.

A statement of all charges involved in the arrest and conveyance of insane persons must be supplied to Chief Office.

C.O. 1803 is hereby cancelled.

FRED. HARE,
Commissioner of Police.

POSTAGE STAMP CASH BOOK.

A new form of Postage Stamp Cash Book has been issued for use at each station to which stamps have been supplied.

In this book must be recorded the value of stamps received and issued, showing in the Dr. column the amount of stamps received, and in the Cr. column the amounts expended. The names of persons to whom letters are posted or telegrams despatched must be shown, and the cost entered in the proper columns ("Correspondence" or "Telegrams"). The denomination of the stamps need not be shown.

The books now used for the purpose should be closed, and the balances carried forward to the new book, which should be opened on 1st October next. New forms of postage stamp returns, to replace P. 59, will be issued shortly.
