## Circular Orders and Miscellaneous Information.

C.O. 6/1044.—In forwarding to Chief Office the Accounts of Public Creditors who do not personally, or by an authorised agent, receive their moneys at the Treasury, Officers in Charge of Districts and Police Stations will be careful to see that the authorities for payment at the foot of the Accounts are properly filled in and signed by the persons to whom the amounts are due, and whose names appear at the head of the Bills.

When a Public Creditor wishes to have the authority at the foot of the Account signed by an agent or representative, it will be necessary for him to lodge with the Treasury an authority to that effect, otherwise the signature will be useless.

Where a Signature is by mark it will be necessary, in all cases, to have it witnessed.

### Special Inquiry.

Special inquiry is requested by New South Wales Police as to the present whereabouts of THOMAS HENRY JOHNSTON, against whom a warrant was issued at Sydney, on the 8th ult., for deserting his wife and 2 children in March last. Description:—About 34 years of age, about 5ft. 2in. high, stout build, dark complexion, dark hair and moustache, otherwise clean shaved, one tooth missing in front, a native of Sydney, a produce merchant and commission agent. This offender is stated to have been recently employed in Perth by a dairyman, and to have assumed the name of Henry. Inquiries made in the City have however as yet failed to trace him.

It is not desired that the warrant should be executed at present, but if found, endeavours should be made to induce Johnston to make arrangements to pay not less than £1 a week towards the support of his family.
